The services define the essence of the branded residence

Here, at Galileo, the standard of services provided to you and your family are the essence of the entire project: Each member of the team is carefully selected from the best in the hospitality industry. Because everything is personal, our main role is to understand your needs and desires, without having to ask any questions. And, above all, to anticipate.

HOTEL AND BRANDED RESIDENCES

Fine dining. For fine tastes.

At Galileo, you can have a BRANDED Chef Dinner whenever you feel like it. Even more than that: **The service is available throughout the year, not just in the holiday season.**

HOTEL AND BRANDED RESIDENCES

High - profile location

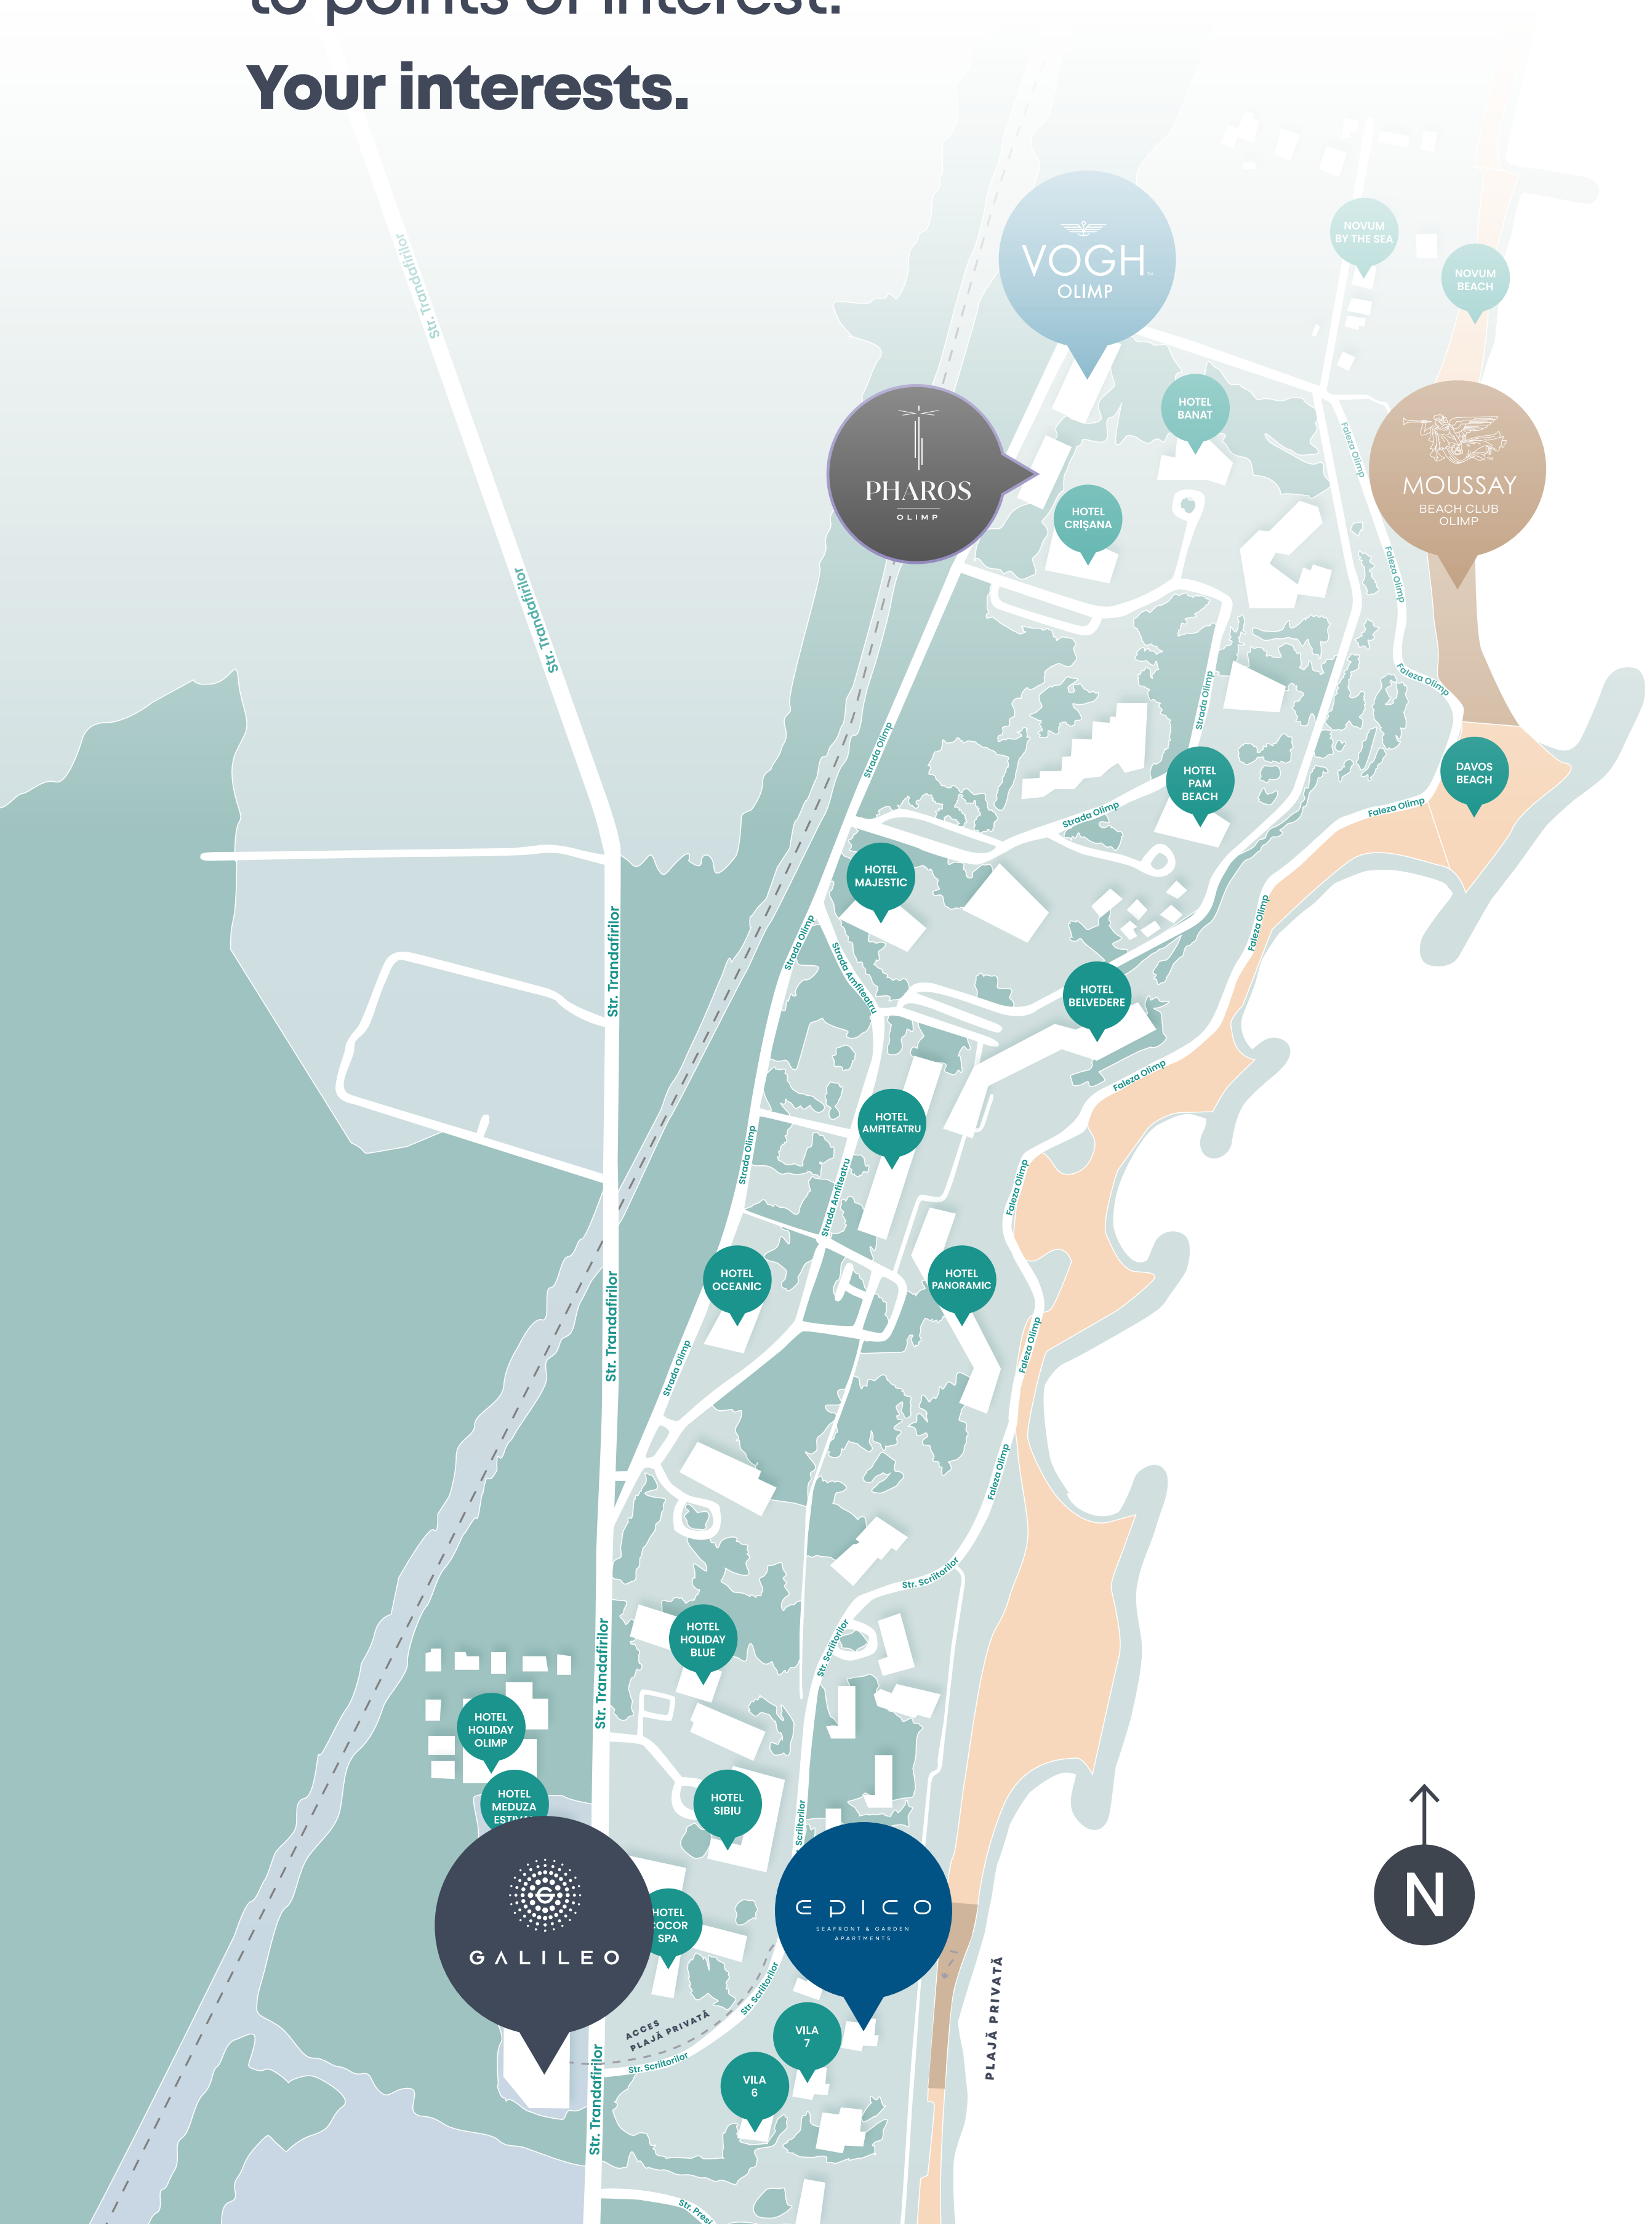

CHOSEN FOR TOMORROW'S STANDARD.

A residence cannot be called a branded residence without a high-profile venue.

What makes a venue be high-profile?

The surroundings and its proximity to points of interest.

Your interests.

Tell me who you work with so I can tell you how you operate

VICTOR GROSU

is one of the best and most experienced designers of luxury hotel projects. Together with Victor and his team we have created not just restaurants, but true iconic design areas that Galileo residents and guests can fully enjoy to the fullest.

HOTEL AND BRANDED RESIDENCES

Design gives value to the space. But, above all, to the service.

The ambiance which completes the experience of a **branded** residence is a key factor in the standard it provides. To achieve this, at the highest level, we worked with the best architects specialising in hotel design. We did this because maintaining the operational effectiveness of every space is extremely important, beyond the aesthetics of the concept.
